

# Economy Filter Housings & Kits

EH Series

## EH Series Economy Housing Features:

- Manufactured from NSF listed, FDA grade 100% polypropylene.
- Available in slim, standard and large diameter styles, 10" and 20" lengths.
- Opaque and clear sumps with EPDM o-ring seals.
- 3/8" - 1 1/2" inlet/outlets. VIH clear has stainless steel 3/4" FPT inserts.
- All housings have a pressure relief button.
- Slim and Standard rated for temperature to 125°F, pressures to 125 psi.
- Filter housings are bulk packed. Cartridges available separately.

**DO NOT over tighten fittings used to install filter housing. Over tightening will result in cracking the housing threads and will void all limited warranties. Only PTFE thread seal tape OR non-PTFE based thread seal paste approved for plastic threads should be used to seal filter housing threads - NOT BOTH.**

Part No.	Style	Sump	Head	Inlet/Outlet	Length	Ctn Qty	List Price
<b>SLIM STYLE Housings with pressure relief for 2 1/2" OD cartridges</b>
