

## Electric Tool Sets

### CK355 (shown above) Deluxe Electric Kits

All the attachments you need to keep your living space dust free. With selections for carpeting, hard floors, draperies and furniture, this deluxe kit features the convenience of maximum power without the need for an electrical plug. Works with electrified inlets CI358, CI390 and CI395. (See page 23). The kit includes:

#### CK230 Deluxe Tool Set plus

- Electrified direct connect crushproof hose: CH615
- CT700 deluxe electric power brush
- CA130 hose sock
- CT175 adjustable-ratcheting wand

### CK350 (shown above) Deluxe Electric Kits

Features all the time-saving attachments of the CK355 without the need for electrified inlets. With a six foot electric cord, it easily plugs into an outlet for maximum power. The kit includes:

#### CK230 Deluxe Tool Set plus

- Electrified crushproof hose: CH515
- CT700 deluxe electric power brush
- CA130 hose sock
- CT175 adjustable-ratcheting wand

### CK250 (shown above) Air Turbine Kits

This kit offers cleaning power with non-motorized accessories. All these attachments work with the central vacuum's airflow. The kit includes:

#### CK120 Standard Tool Set plus

- Crushproof hose: CH235
- CT350B turbine brush
- CA130 hose sock

### CK150 (shown above) Standard Tool Kit

The CK150 is ideal for homes with all hard surface floors. It also makes a perfect second set or starter kit. The kit includes:

#### CK120 Standard Tool Set plus

- CH235 low-voltage crushproof hose
- CA130 hose sock

\*For use with VX1000 or VX550 series Power Units only.

## Low Voltage Hoses and Utility Hoses

372 Standard Hose

### 372 – Standard Hose

A dark gray standard hose with vinyl reinforced construction. Rotary control on handle regulates vacuum.

CH230 Standard Hose

### CH230 – Standard Hose

A dark gray standard hose features on-off switch and vinyl reinforced construction. Rotary control regulates vacuum. For longer reach, select the CH230L for 42 ft. length. Includes patent pending Universal hose end which fits all NuTone and most other standard inlets.

CH235 Crushproof Hose

### CH235 – Crushproof Hose

This crushproof, low voltage hose springs back to retain original shape. Includes on-off switch. Includes patent pending Universal hose end which fits all NuTone and most other standard inlets. Available in dark gray.

## Hose Accessories

### CA130

A hose sock can help prevent scratching corners of walls and marking furniture as you move from room to room while vacuuming.

### Hose Selection Chart

Model No.	Description	Hose Length	Inside Diameter	Power Head Switch	Power Unit Switch	Color
372	Low Voltage Standard Hose	32'	1-1/4"	No	No	Dark Gray
CH230	Low Voltage Standard Hose	30'	1-3/8"	No	Yes	Dark Gray
CH230L	Low Voltage Standard Hose	42'	1-3/8"	No	Yes	Dark Gray
CH520	Deluxe Current-Carrying Hose	30'	1-3/8"	Yes	Yes	Dark Gray
CH620	Deluxe Direct-Connect Hose	30'	1-3/8"	Yes	Yes	Dark Gray
CH235	Crushproof Low Voltage Hose	30'	1-3/8"	No	Yes	Dark Gray
CH515	Current-Carrying Crushproof Hose w/Status Indicator Light	30'	1-1/4"	Yes	Yes	Dark Gray
CH615	Direct-Connect Crushproof Hose w/Status Indicator Light	30'	1-1/4"	Yes	Yes	Dark Gray

### Hose Accessories

Model No.	Description	Hose Length	Inside Diameter	Color
CA130	Hose Sock	30' – 32'	1" & 1-3/8" dia. Hoses	Gray

# Plug into Power and Convenience with NuTone Inlets.

Turn to the source for power and intelligence. NuTone's line of central cleaning inlets include built-in low-voltage terminals where direct-connect hoses plug right into the inlet – alleviating the need for a power cord. The electrified inlets make it a simple one-step operation to plug in a current-carrying hose. The system turns on automatically when an unswitched hose is inserted or is ready for immediate activation with a switched hose.

NuTone's status indicator hoses and inlets allow for the bag-full or pail-full technology from your power unit for even more convenience. When the light on the power unit changes, indicating that it is time to change the bag or empty the pail, the light on the hose and inlet also changes color. And no additional wiring is needed.

NuTone inlets are the source of ease and convenience when working with a central vacuum system.

## Electrified Direct Connect Inlets

Electrified Inlets make it a simple one-step operation to plug in a Current-Carrying hose – no 120V extension cord to carry around. Compatible with NuTone CH615 and CH620 hoses.

### CI390 Standard and CI395 Status Indicating

The ElectraValve® Electrified Inlet operates on standard house wiring. It eliminates the need for the extension of electrical cords from the inlet to an electrical outlet. The molded power receptacle clips to a mounting plate and the housing wire is run to the nearest outlet box.

- UL listed Assembly
- Standard:
  - CI390W – White
  - CI390V – Ivory
- Status Indicating:
  - CI395W – White
  - CI395V – Ivory

### CI395RK Rough-In Kit

The Electrified Inlet Rough-In Kit includes everything you need to install the CI390 and CI395 inlets. Includes mounting plate, snap-in power receptacle, 6' of 12-gauge cable assembly, plaster guard, CF382S elbow and mounting screws for plaster guard.

### CI358 Supervalves

The Supervalve Electrified Inlet operates on standard house wiring. Includes wall valve, rough-in plate with junction box and strain relief.

- UL listed assembly
- CI358W – White
- CI358IV – Ivory

### HOW TO CHOOSE:

		Inlet Type							
		CI390	CI395	CI358	CI370	CI335	360	330	CI398
Hose Type	Current Carrying								
	CH620	•	•	•					
	*CH520				•	•	•	•	•
	CH615	•	•	•					
	*CH515				•	•	•	•	•
Low Voltage	372				◦	◦	◦	◦	◦
	CH235				◦	◦	◦	◦	◦
	CH230				◦	◦	◦	◦	◦

\* Includes 6 ft. line cord

◦ Limited Function (suction only/non-powered)

• Full Function
