

## Flip Seal Plugs and Connectors, 6-50P

**Model #:** P650DF

**Product Volts:** 250 VAC

**Product Max Amps:** 50 Amps

**Product Pole/Wire:** 2 Pole 3 Wire

**Product Blade Type:** Straight

**Product NEMA:** 6-50P

**Product Standard:** CSA

KH Flip Seal wiring devices are industrial grade and feature KH's exclusive Flip It & Forget It™ plug and connector design which resists dust, dirt, and moisture.

KH Flip Seals are used in agriculture, manufacturing, and industrial applications. When the connector's 'lip' is flipped over the plug a secure electrical connection is made; if the plug is tugged it will stay connected. To safely disconnect, just give it a hard pull.

- Industrial grade, extremely durable design and construction.
- Re-wireable design.
- Rubber housing with phenolic insert provides rugged and durable construction.
- Molded rubber lip on connector provides a moisture, dust, and weather resistant enclosure when flipped over the plug.
- Stainless steel screws.
- Available in straight or locking blade, 15-, 20- and 50-Amperage.
- Made in the U.S.A.
