

- Eliminates odors caused by smoke, mold, mildew, stale air, sewer gas, pets, and more.
- Works great with heating ventilation and air conditioning systems.
- Also available: CherryAir and OrangeAir Neutralizers

## Odor Neutralizers

### Original Odor Neutralizer

### Description

ClenAir Original Odor Neutralizer, as well as CherryAir and OrangeAir Odor Neutralizers, are unique odor neutralizers, not a perfumes or cover-ups. They eliminate unpleasant odors from the air, neutralizing those caused by smoke, mold, mildew, cat litter, and pets, as well as the noxious smells created by formaldehyde hydrogen sulfide and other chemicals. ClenAir Odor Neutralizers are used by hospitals, nursing homes, hotels and many other businesses. They can be used in homes, basements, locker rooms, cars, boats, and any other space that needs refreshing, and come in a variety of sizes.

### Application

Use one to two pounds of ClenAir Odor Neutralizer for every 400 square feet.

### Directions

1. Remove lid.
2. Invert tub and allow product to slide out onto lid while removing container. Save container for future transport of storage of product.
3. Place near source of odor.
4. Larger sizes are available for use in HVAC systems. Use 1 pound per ton of A/C.
